

Here are the detailed instructions of Works Done on all your three domains:

1) <https://studio.343labs.com/>

1. GA-4 integrated to your website studio.343labs, here is the GTM Assistant Overview.

2. Google Search Console Setup with the Submission of Sitemap plus linking of Google Search Console with GA-4 and UA property

The top screenshot shows the Google Search Console interface for the property `https://studio.343la...`. The left sidebar lists navigation options: Overview, Performance, URL inspection, Index, Coverage, Sitemaps (highlighted), Removals, Experience, Page Experience, Core Web Vitals, Mobile Usability, and Enhancements. The main content area is titled 'Sitemaps' and includes a section to 'Add a new sitemap' with a text input field containing `https://studio.343labs.com/` and a 'SUBMIT' button. Below this is a table titled 'Submitted sitemaps' with the following data:

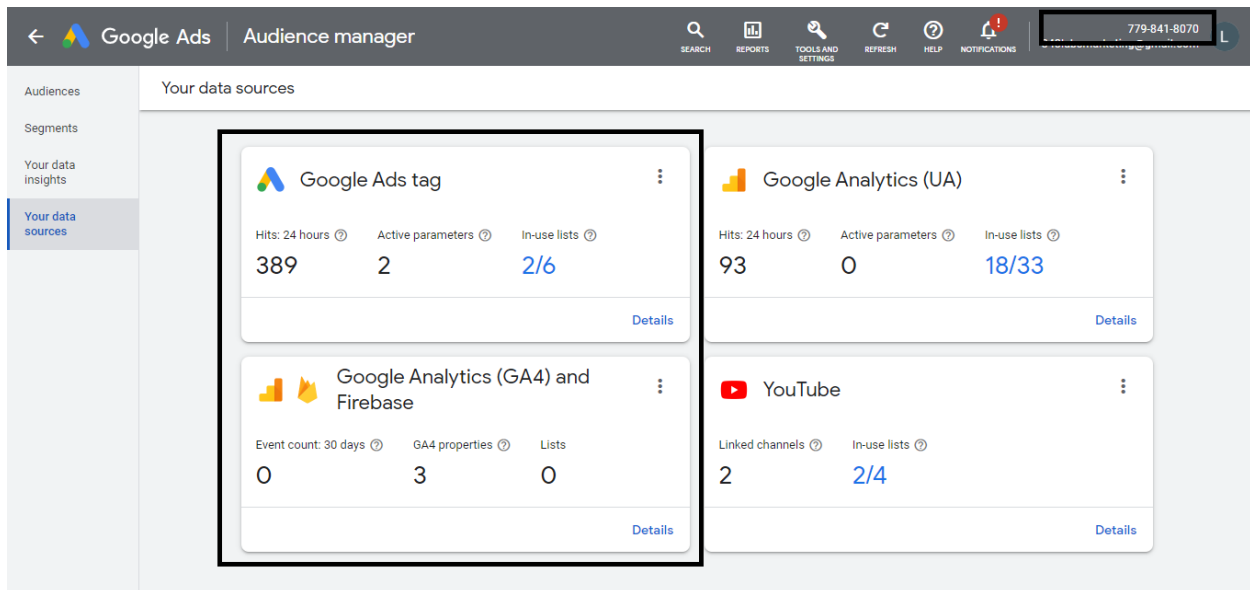

Sitemap	Type	Submitted ↓	Last read	Status	Discovered URLs
/sitemap.xml	Sitemap index	Aug 14, 2022	Aug 14, 2022	Success	0

The bottom screenshot shows the 'Settings > Associations' section. It displays 'Associated services' with a table of linked Google Analytics properties:

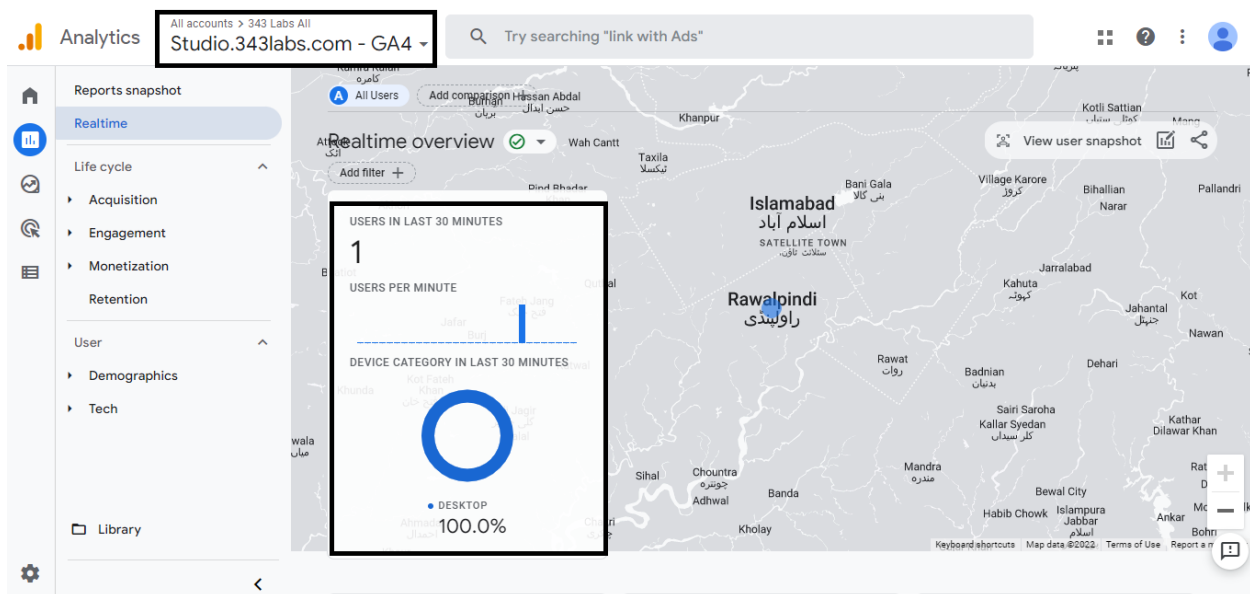

Service	Account ↑	URL
Google Analytics GA4	Studio.343labs.com - GA4 Data Stream: Studio.343labs.com - GA4	<code>https://studio.343labs.com/</code>
Google Analytics UA	Studio.343labs.com View: All Web Site Data ⓘ	<code>https://studio.343labs.com/</code>

Below the table, a link 'Used for Search Console Insights' is visible. At the bottom, the 'Pending requests' section shows 'Pending requests to associate with one of your properties'.

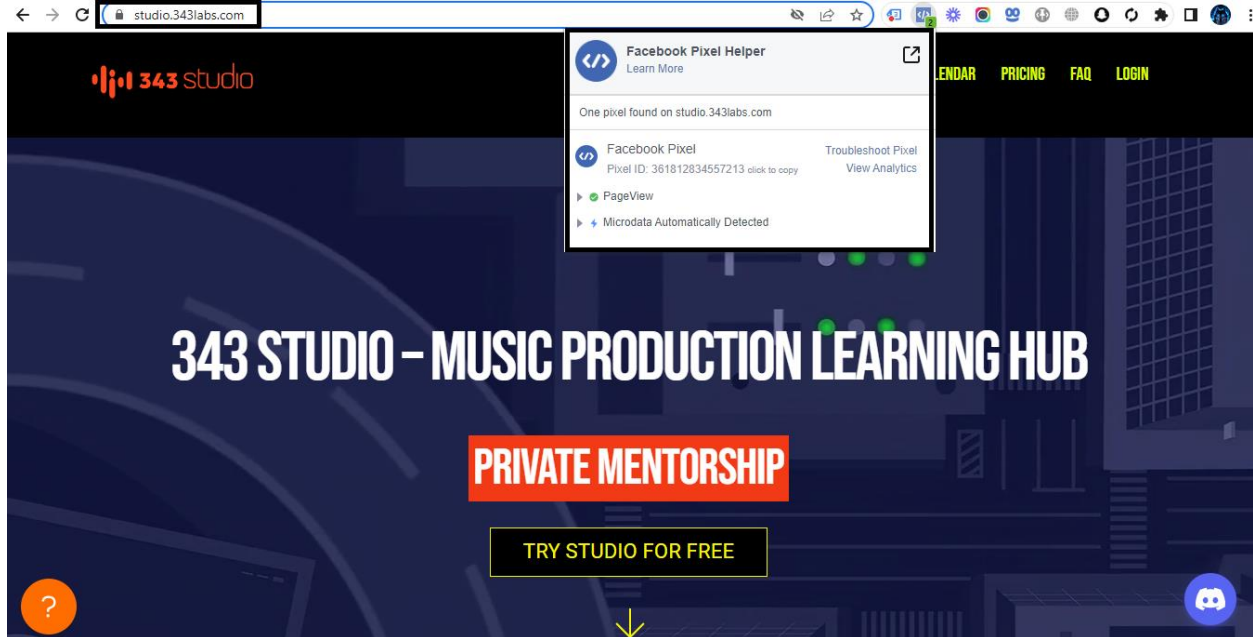

3. Google Ads linked with all your GA-4 properties and GTM

4. GA-4 and RealTime Overview

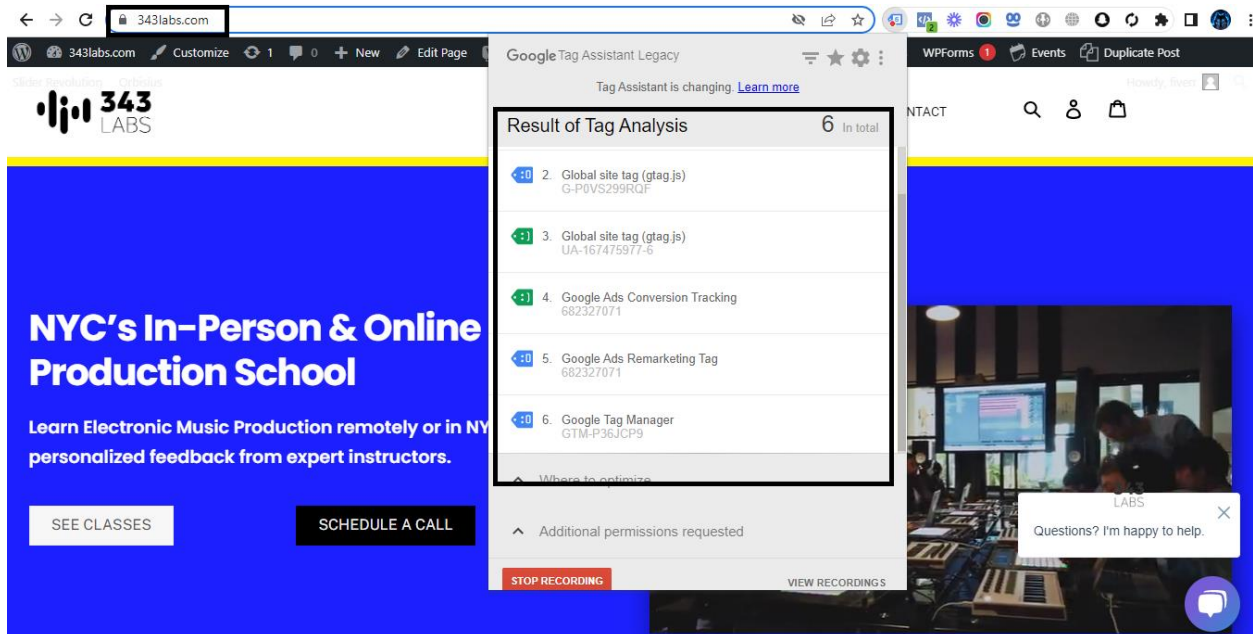

5. Also Checked the Facebook Pixel

2) <https://343labs.com/>

1. Google Tag Manager Setup, GA-4 integrated to the website and here is the GTM Tag Assistant Overview.

2. Google Search Console Setup with the Submission of Sitemap and linking of GA-4 and UA with Google Search Console.

The top screenshot shows the Google Search Console interface for the property `https://343labs.com/`. The left sidebar shows the navigation menu with 'Sitemaps' selected. The main content area is titled 'Sitemaps' and contains a form to 'Add a new sitemap' and a table of 'Submitted sitemaps'.

The bottom screenshot shows the Google Search Console interface for the same property, but the left sidebar shows 'Sitemaps' selected. The main content area is titled 'Settings > Associations' and contains a table of 'Associated services'.

English

- Schedule a Call event setup and working for both of your site separately, it'll take 24 hours to be displayed in the event section in GA-4 after that we'll import that to Google Ads.

NOTE: All the Goals are made, and it'll take 24 hours to be displayed in the event section of GA-4 after that we'll import those goals to our Google Ads rest Google Ads is linked to all three domains and their GA-4 properties 😊

Here are the transactions/conversions from GA-4 which are imported to your Google Ads

Google Ads Conversions
